

# Call for Sponsors

We want to make sure that SIGDIAL 2025, which will be held in Avignon University, France on August 25-27, 2025, is another successful event! We are looking for sponsors, large and small, to support the conference.

The SIGDIAL venue provides a regular forum for the presentation of cutting edge research in discourse and dialogue to both academic and industry researchers. The conference is sponsored by the SIGdial organization ([sigdial.org](http://sigdial.org)), which serves as the Special Interest Group in discourse and dialogue for both ACL and ISCA. This conference marks the 25<sup>th</sup> anniversary of the SIGDIAL conference.

The event is currently being planned for a physical conference, and we will see whether there is an option to watch live streams depending on circumstances.

More information is available on the SIGDIAL website ([2025.sigdial.org](http://2025.sigdial.org)).
